Article XIII REVENUE

Amend Section 5(a) of Article XIII to include home and cell phone numbers as part of the membership information that Local Unions forward to the International Union as follows:

Section 5(a). The Local Union by its Secretary-Treasurer shall forward to the International Secretary-Treasurer the correct names and addresses (including email address, home and cell phone numbers, if available) of all its members, and other membership information as specified by the International Executive Board. Each month it shall submit all changes of addresses; the names and addresses of all members initiated or readmitted, of all other persons from whom revenue is derived, and of those suspended for nonpayment of dues or for any other cause; and a correct list of those who take transfer or withdrawal cards. In addition, the International Union must be notified of the names and addresses of all officers elected to office within 15 days of such action. The proper ZIP code shall be included for each address. Each Local Union must provide the same membership list to the State Council with which it is affiliated. Based on the recommendation of the International Secretary-Treasurer, the International Executive Board may approve a modification to this section which limits the frequency and/or content of this requirement. **The International Union's use of the member information provided by Local Unions pursuant to this Section 5(a) shall be fully consistent with the use granted by the member and with applicable law.**
