In the event of a contested election:

1. If you are a delegate **and** you logged into the convention, you will receive an email from [notice@ballotpoint.com](mailto:notice@ballotpoint.com).

That email will contain instructions about how to vote in the election. You must request a login link. Your DELEGATE ID is the registration ID you received when you registered for the convention. You must use the email address that you used to register for the convention.

2. Once you request a login link, you will receive a second email from [notify@ballotpoint.com](mailto:notify@ballotpoint.com) with instructions to retrieve and cast your vote.

You will click the link in this second email to take you to the ballot. You will be able to vote for any of the contested positions. Some of the positions may include the option to vote for a slate (for Executive Vice Presidents; Vice Presidents, Executive Board Members, including the retired member; and Board of Auditors) or for individual candidates.

3. You have seven (7) days from the day the email is sent to you to return your ballot.

4. After you have successfully cast your vote, you will see a confirmation on your screen and receive a confirmation email from [notify@ballotpoint.com](mailto:notify@ballotpoint.com) stating that you successfully voted.

5. If you have any questions or need any assistance, please contact:

- The Roll Call Committee at [ROLLCALL@SEIU.ORG](mailto:ROLLCALL@SEIU.ORG); or
- 202-730-7056

6. After the 7 day voting period ends, the results of the cast ballots will be tabulated by Ballotpoint and reported by the Roll Call Committee to the delegates via the SEIU Convention Website.
